Subject: RE: Formal Request Regarding Replacement of Chloroprene Community Air Monitoring System in Reserve, LA
Attachments: DRAFT Robert Taylor Response Letter 10-1-20.docx

Ruben,

I think the letter is very close to what management described yesterday. I have added one addition, and made one additional edit. Please review and let me know if you have some time to discuss. Thanks

James Leathers

Subject: Formal Request Regarding Replacement of Chloroprene Community Air Monitoring System in Reserve, LA

Dear Regional Administrator McQueen,

On behalf of the Concerned Citizens of St. John the Baptist Parish, please find the attached formal request to reverse the EPA Region 6 decision to discontinue operation of the existing chloroprene Community Air Monitoring System at six sites around the Denka Performance Elastomer Plant (DPE) in Reserve, LA.

This formal request is in follow-up to the September 24, email message containing select SPod Continuous Monitoring System evaluation results and September 25 email message containing a draft version of the formal request sent to David Gray, Arturo Blanco, and James Leathers.

Sincerely,

Vickie Boothe, MPH

Science Advisor, Concerned Citizens of St. John the Baptist Parish
